Article is quite interesting but it needs major revision

Comments-

For revision of your article see the following points

- **Format-:** Revise article to make it strictly as per format of the Journal. Refer latest issue of the Journal for formatting. Headings and subheading should be rectified.
 - **Abstract:** Heading Result should be Results.
 - **Symbol and units:** It should be as per International System of Units (SI). See it in instructions to authors and follow accordingly and strictly.
 - **Errors:** Grammatical and punctuation errors should be rectified. Authors are suggested to use smart tools like 1 checker, ginger, grammarly, white smoke, etc.
 - **Most of the words are sticked,** rectified it strictly.
 - **Ensure that biological names (plants/crude drugs/bacteria/fungus etc)** are in italic in whole manuscript including reference also.
 - **Table 1:** Results should be expressed in mean \pm SD/SEM. Sample size and proper foot notes should be mentioned below table(s).
 - **Antibacterial activity:** rewrite the procedure which clarifies the concentrations of both supernatant and its extract used for screening. Positive control/standard should also be used in the study.
 - **References:** There is no need to mention issue number with volume. It should be provided only if it is supplement issue. Please correct accordingly.
- [Few examples of references from journal:
Devi KV, Pai RS. Antiretrovirals: Need for an Effective Drug Delivery. Indian J Pharm Sci 2006;68:1-6. List the first six contributors followed by et al.
Volume with supplement: Shen HM, Zhang QF. Risk assessment of nickel carcinogenicity and occupational lung cancer. Environ Health Perspect 1994;102 Suppl 1:275-82.
