The analysis is accepted for publication in OAMJMS.

SoRev (https://scire.org) offers you the possibility to share your experience with the scientific review process with your colleagues (left search engine) and to select an efficient journal for submitting your manuscripts (right search engine). Because we would like to increase the quality of the review process, please register and submit your experience with the review process of your article published in Open Access Macedonian Journal of Medical Sciences in the SoRev (https://scire.org/questionnaire/macdonarian-journal-of-medical-sciences).
The editing of your submission, “The Analysis of the Relationship between RELA Gene Expression and MMP-13 Gene Expression in Synovioctye Cells after Mesenchymal Stem Cell Wharton Jelly” is complete. We are now sending it to production.

Please, transfer Publication Fee to complete preparation of Galley Proof.

Dear corresponding author,

Please find enclosed invoice for your Publication Fee for the manuscript “Analysis of the Relationship between RELA Gene Expression and MMP-13 Gene Expression in Synovioctye Cells after Mesenchymal Stem Cell Wharton Jelly” [oamjms.2019.135] which should be prepared for publication in OAMJMS. Please, send me SWIFT document of the Publication Fee which should be transferred until February 08, 2019. If you intend to cancel your publication, please, send me information.

Best regards,

Prof. Dr. Mirko Spiroski
