Dear Dr. sulistyawati,

Manuscript 9716831 titled "Assessment of Knowledge Regarding Climate Change and Health Among Adolescent in Yogyakarta, Indonesia" does not contain the conflict of interest statement.

According to our policy, a competing interest exists when professional judgment concerning the validity of research is influenced by a secondary interest such as financial gain. Hindawi requires that our authors reveal any possible conflicts of interest by including them in their submitted manuscripts.

If there is a conflict of interest, please email me an updated PDF of your manuscript including the disclosure in a "Conflicts of Interest" section. If not, authors can simply email the statement, "The author(s) declare(s) that there is no conflict of interest regarding the publication of this article."

I look forward to your response within two days.

Best regards,

Amira
