The article is accepted provisionally. Please send publication charges so that final acceptance can be sent. Publication charge for normal publication is Rs 6000. In normal publication the online version of article will be published within 45 days as online first. Publication fee for fast track publication is Rs 9000. In the case of fast track the article is published as online first within 10 days. The publication charge includes one hard copy. For extra hard copy include Rs 1000 in publication charge. Send publication charge directly to publishers account. Account detail of publishers is mentioned below.

Once you deposit the fee inform it to editor at

dr.jaykaran78@gmail.com

You can also send your future manuscripts in another journal published by same publisher "International Journal of Medical Science and Public Health" (www.ijmsph.com).

Please understand that article may be sent to you again for technical revision like language, grammar and punctuation. The article will be scanned by plagiarism finder software before final acceptance issued. If the article found to be having plagiarized material than it will be sent back to you for correction, if plagiarism is not significant. Authors has to submit Rs 500 more (cost of checking plagiarism) before re sending the revised article. In the case of significant plagiarism the article will be rejected and publication fee will not be returned back.

To Dr Jaykaran Charan

How about you, if I transfer the cost of publication in the form of dollars ? it is because the banks in indonesia only can be the transfer in the form of dollars.

Thank you very much

Nina Salamah

To Dr Jaykaran

To day I get information from the bank, if my transfer for publication charges in NJPPP is refunded, because your account number is not complete.

So I Hope you can send complete number of your account again.

Thank you very much

Nina Salamah
