Dear Inderscience Publishers,

Basically I accept the proofs.

But, I need to inform you that two days ago I received a notice that my first paper on IJLSM (Budijati, S.M., Subagyo, Wibisono, M.A. and Masruroh, N.A. 'Influence of government and economic drivers on consumers' intentions to participate in a take back program'), which is one of the references for this paper has got the volume and issue number, that is Vol. 23, No.3, 2016.

So the status of the reference paper is no longer in press. Based on that information whether it is still possible to change in the writing of reference of this paper?

Many thanks
