Dear author(s)

Based on the Editors review of your revised paper, it's been determined that your article still requires revision before the status changed into ACCEPTED and it can be published.

Please find in the attachment below your manuscript with some notes from the Editors. Author can revise the manuscript and upload a new version no later than 17 December 2019. The new paper must be uploaded over the last version, just click on your paper title and upload the new version (mandatory).

The revised manuscript is uploaded over the earlier version, thus replacing it.

If you have any questions or wish to comment on your revisions, please e-mail the Editor.

Thank you.
Best regards,

2nd ANSWER Committee

Paper: «Quality Improvement of Recycled Paper with Extracted Xylan from Corncobs»

Book: «Waste and Biomass Application»

Dear **Gita Indah Budiarti**,

We are very pleased to announce that in 2 months' time your article «Quality Improvement of Recycled Paper with Extracted Xylan from Corncobs» will be published online in «Waste and Biomass Application».

In your scientific.net account you can view the PDF version for your personal use only.

Your login credentials are:

Login: gita.indah@che.uad.ac.id

Password: XegVQ377

In your account you will also find information about additional opportunities such as OPEN ACCESS, OFFPRINTS and PREPRINTS. Please contact us for any information and interest.

We hope you enjoyed working with us. It has been a pleasure to collaborate with you, and we trust to be in touch soon for further publication opportunities with Scientific.net!

Best regards,
The Publishing Team, Scientific.net

P.S. Our journal [Nano Hybrids and Composites](#) is open for free-submission papers. You are welcome to publish your research findings, which can become the next best-selling scientific paper thanks to:

- your author's quality
- [Author-Friendly Editor Too](#)
- [International Indexing](#)
- [Publishing Ethics](#)
