Dear Miss Lukhi Mulia Shitophyta:

We have reached a decision regarding your submission to Jurnal Teknik Kimia dan Lingkungan, "Biogas Production from Corn Stover by Solid-State Anaerobic Co-digestion of Food Waste".

Our decision is: Revisions Required

If you are able to correct the manuscript taking into account all of the points raised in the referees' report, I would be willing to arrange for the manuscript to be reviewed again. Revisions should be submitted within 15 days.

Besides the referees' report as attached in this email, see also the "Reviewer Uploaded Files" in journal's website to read the additional comments from reviewers (if any).

If you choose to revise your manuscript it will be due into the Editorial Office by 27 December 2019.

Revised article should be submitted on JTKL's online system under Review Tab, click on "Upload Author Version".

Submission URL: <http://jtkl.polinema.ac.id/index.php/jtkl>

If you does not know or forget your username and password for the journal's web site, you can use this link to reset your password (which will then be emailed to you along with your username).
<http://jtkl.polinema.ac.id/index.php/jtkl/login/lostPassword>

When submitting your revised paper, please include a separate document that carefully addresses the issues raised in the reviewer comments, point by point. You should also include a suitable rebuttal to any specific request for change that has not been made. To assist the review process, it is essential that all corrections made to the text (in response to both the Editor's and the reviewer's comments) are highlighted in red type.

To upload your revision's comments and other additional files (if any), click on "Add a Supplementary File" under Summary tab.

Thank you, and we look forward to receiving your revised manuscript.
