Dear Authors,

We would like to inform you that your paper ID #1570391474 entitled "A Model of Geographic Information System using Graph Clustering Methods" has been finalized by the editorial team of ICSITech 2017 as enclosed at this email. Some corrections and revisions have been done in order to comply with the IEEE standard. So here, we would like to get your confirmation whether it is already correct or not. If in 24 hours we do not get any complain/revision, the file is final and will be submitted to IEEE-Xplore.

Thank you very much for your cooperation and participation on ICSITech 2017.

Sincerely,

TPC of 2017 3rd ICSITech
