The following message is being delivered on behalf of Journal of
Pharmaceutical Sciences and Community (J Pharm Sci Community).

Nanik Sulistyani:

An initial review of "ANTIBACTERIAL ACTIVITY AND TLC-BIOAUTOGRAPHY ANALYSIS OF THE ACTIVE FRACTION OF *Muntingia calabura* L. LEAF AGAINST *Staphylococcus aureus*" has made it clear that this submission does not fit within the scope and focus of Jurnal Farmasi Sains dan Komunitas (Journal of Pharmaceutical Sciences and Community) because your manuscript still in Indonesia language. Please translate your manuscript and resubmit again to our journal.

Kepada: Michael Raharja Gani <michaelvaynardgani@gmail.com>

Dear JPSC editor.

Thank you for information. The previous submission is still in Bahasa Indonesia and we got information via email at January 4 from JPSC that we must translate in English first and then resubmit again. So, yesterday we resubmitted the manuscript in English as suggested by JPSC.

Thank you.

Regards

Nanik Sulistyani

Dear JPSC Editor

Regarding the last email about proofreading request from JPSC, I attach the edited article below.

In fact, we can't find the VIEW PROOF mentioned in the proofreading steps (no. 3) as instructed in the last email.

So, we proofread the article only based on the editor's comments in the attachment file.

Thank you very much.

Best regards

Nanik Sulistyani

Dear Editor JPSC

Thank you for the information about final layout of our manuscript.

I have read the manuscript and there are still some corrections. I wrote messages of the corrections on the pdf file of manuscript directly.

Thank you

Regards

Nanik Sulistyani
