## **PREFACE**

First of all the author would like to thank Allah SWT, because of His blessings and mercy, the internship report entitled this information system website can be completed on time.

This report is a requirement for fulfilling assignments in the Informatics Engineering internship subject. In completing this report the author faced many obstacles, but with the help of many people, all of these problems were overcome. May Allah SWT bless them. Although this paper has many deficiencies in the preparation and explanation, the author hopes that it can be used as a reference for readers to understand the process of creating a website for this internship.
