"Correlation between nurse knowledge and attitude with hand hygiene compliance"

The screenshot shows the 'Review' stage of a submission in the JKKI journal system. The page title is 'HOME > User > Author > Submissions > #6766 > Review'. The article title is 'Correlation between nurse knowledge and attitude with hand hygiene compliance'. The authors listed are Ashar Alwi Zakaria and Liena Sofiana. The editor is Muhammad Zainudin Al Amin. The submission is in 'Round 1' and was initiated on 2016-11-20. The page includes a 'PEER REVIEW' section with a table of review versions and an 'EDITOR DECISION' section showing an 'Accept Submission' decision on 2018-08-30. The left sidebar contains navigation links for 'ABOUT THE JOURNAL' and 'JOURNAL CONTENT'. The right sidebar features a 'RECOMMENDED TOOLS' section with links to 'TEMPLATE JOURNAL ARTICLE', 'CONFLICT OF INTEREST', 'COVER LETTER ARTICLE', and 'STATEMENT OF ORIGINALITY'.

The screenshot shows the 'Editing' stage of the same submission. The page title is 'HOME > User > Author > Submissions > #6766 > Editing'. The article title and authors remain the same. The page includes a 'COPYEDITING' section with a table of copyedit versions. The table shows three versions: '1. Initial Copyedit' (2018-08-30), '2. Author Copyedit' (2018-08-30), and '3. Final Copyedit' (2018-08-30). The 'COPYEDIT INSTRUCTIONS' section is also visible. The left sidebar is identical to the previous screenshot. The right sidebar features the same 'RECOMMENDED TOOLS' section.
