PREFACE

Assalamu'alaikum Warahmatullahi Wabarakatuh.

Praise and gratitude for the presence of Allah SWT, the Almighty God who has given His grace, guidance and blessings so that the author can complete the Project Management Report with the title Telemedicine Application for Hypertension Patients Monitored by Health Professionals.

On this occasion, the author would like to express his gratitude to those who have helped, especially to:

1. The Head of the UAD Pharmacy Team, who has trusted the Bismillah MTP Team to cooperate in making Telemedicine applications.
2. Dewi Pramudi Ismi, S.T., M.CompSc., as the supervisor has taken the time and provided direction and guidance in the implementation of this activity and the preparation of the Project Management report.
3. Both parents and friends, who always provide support and prayers.
4. All lecturers in the Informatics Engineering Department, who have provided their knowledge so that project management activities can be carried out to completion.
5. All members of the Bismillah MTP Team, who have collaborated in the implementation of Project Management and have given each other encouragement and motivation to keep trying until the completion of this report.

The author realizes that this report is far from perfect due to the author's shortcomings, for that the author humbly accepts suggestions that can build and assist the perfection of the contents of this Project Management Report. Last but not least, the writer hopes that this report can be useful for the readers.

Wassalamualaikum Warrahmatullahi Wabarakatuh.
