Title: Pneumonia a forgotten killer for children: A mixed-method study in Indonesia

Dear Dr. Sulistyawati,

Thank you very much again for your submission to our journal.

The editor review your paper, give some suggestions to revise, please see the attachments of the original paper and comments.

Please revise according to the referees' comments and return the revision within two weeks.

If you need more time to complete the revision, please let us know the approximate time you may resubmit.

When uploading your response, we kindly ask you to upload three separate files:

1. The response letter to reviewers (explain the details of the revision and the response to referees' comments one by one) (**Word file**).
2. A version of the manuscript with tracked changes (**Word file**).
3. A clean version of manuscript (**Word file**).

You can send it back via the system or email.

In case of any questions you have, please feel free to let us know.

We look forward to receiving your revision soon.

Please give us a short reply to confirm you receive this email. Many thanks for your cooperation.

Best wishes,

Shan Jiang
