Dear Editor of **IAENG** International Journal of Applied Mathematics,

Herewith I enclosed a manuscript for consideration of publication in **IAENG** International Journal of Applied Mathematics. The paper "Analysis of Mathematical Model of Interaction between the PIP3, AKT, and FOXO3a in Acute Myeloid Leukemia".

This paper provides both a mathematical and medical perspective of mathematical models that describe protein interactions in PI3K/AKT p Acute Myeloid Leukemia. As such this paper should be of interest to a broad readership including those interested in the areas of differential mathematical biology or interdisciplinary applications of mathematical theory.

It has not been published elsewhere and that it has not been submitted simultaneously for publication elsewhere.

Thank you very much for your consideration.

Yours Sincerely,
Yudi Ari Adi,

Dear Sir/Madam,

— Acknowledgment of manuscript submission for the **IAENG** International Journal of Applied Mathematics —

Thank you for your manuscript submission. The manuscript has been assigned manuscript number, IJAM_2019_07_09b, of title [Analysis of Mathematical Model of Interaction between the PIP3, AKT, and FOXO3a in Acute Myeloid Leukemia].

You need to check the publication ethics and publication malpractice statement available at http://www.iaeng.org/IJAM/doc/publication_ethics.html

The average review time is three months. Suppose you has not got the review result by three months after getting the acknowledgement email, you are welcome to make the paper status enquiry with the manuscript number, IJAM_2019_07_09b.

The manuscript will be sent to our reviewer in the related field. During the reviewing process, if the reviewer decides that the manuscript should be accepted with major revision or rejected, we will usually arrange another reviewer for reviewing the manuscript to check if the reviewing results are consistent.

We will contact you again once we have received the reviews. The average acceptance rate of the regular research papers of our **IAENG** journals is less than 10%. This reviewing process is to ensure the quality of the accepted papers in our journal, and we are looking forward to your understanding.

If you have any question, you are welcome to tell us.

Best regards,

Joan Mok

Dear Sir/Madam,

[Review result of the submitted manuscript for IJAM]

Thanks for your manuscript submission, and your manuscript (manuscript number: IJAM_2019_07_09b) of the title "Analysis of Mathematical Model of Interaction between the PIP3, AKT, and FOXO3a in Acute Myeloid Leukemia" has been sent to our reviewer in the related field. We are happy to tell you that the review result has now been received. The acceptance rate of our journal is less than 10%. Your paper has been conditionally accepted but major revision must be made in order to satisfy all the conditions required by the reviewer. Please see the attached file for the review result.

Please send us the required files on or before 09-Nov-19 if you would like to have your paper for our publication consideration. Late submission will not be handled.

Note:

- (1) The revised paper must be formatted using the given paper template (see below for details).
- (2) Do not make any highlight on the revised version.
- (3) For any major changes which can raise the paper quality significantly, please state them clearly and briefly in the list of major changes. There is no need to mention the changes of grammar/writing/format one by one. Highlight of the changed parts of the paper are not accepted. The review process cannot be arranged without a proper list of major changes.
- (4) For the author without a good command of English, it is advised that one should ask the help of a technical writer/colleague with a good command of English to improve and polish the paper.

Two Required files (the files must be named as below):

- (1) a list of major changes in PDF or MS word { name it as change.pdf or change.doc}
 - (2) the revised paper in camera-ready format in PDF and/or MS word { name it as revised.pdf and/or revised.doc}
- You are advised to send both revised.pdf and revised.doc if you prepare it in MS word.
Other files should not be sent.

Dear Editor:

Thank you for the opportunity to revise our manuscript, "Analysis of Mathematical Model of Interaction between the PIP3, AKT, and FOXO3a in Acute Myeloid Leukemia". We have evaluated our article. Technical writing and presentation have been improved.

Attached please find the list of major changes and the revised paper.

We hope you will find that the revisions meet the quality standards required by the journal.

Thank you for your consideration.

Sincerely,
Yudi Ari Adi

to me 

Dear Sir/Madam,

We will review it.

Paper No.: **IJAM_2019_07_09b**

The list of major changes:

1. Reorganized the paper format from 6 sections to be 7 sections.
2. We have added section 3 which discusses the properties of the solution. In this section, we discuss positivity (Lemma 3.1), boundedness (Lemma 3.2), and the existence and uniqueness of solutions of the model (Theorem 3.1).
3. Rearranged figures 1 - 4 to get clarity of these figures. We explain the Figures in the last paragraph in page 5.
4. In page 9, we added Figure 7, which shows the occurrence of bifurcation due to the continuation of the parameter p .
5. Added two references, i.e.
 - [25] for the roots of the quartic equation, and
 - [26] for sensitivity analysis.

Thank you for your consideration.

Sincerely,

Yudi Ari Adi

Dear Sir/Madam,

[Review result of the submitted manuscript for IJAM]

Thanks for your manuscript submission, and your manuscript (manuscript number: IJAM_2019_07_09b_second) of the title "Analysis of Mathematical Model of Interaction between the PIP3, AKT, and FOXO3a in Acute Myeloid Leukemia" has been sent to our reviewer in the related field. We are happy to tell you that the review result has now been received. The acceptance rate of our journal is less than 10%. It is our pleasure to tell you that your paper has been accepted with minor revision. Please see the attached file for the review result.

Please send us the required files on or before 18-Feb-20 if you would like to publish the paper for our consideration. Late submission will not be handled.

Note:

- (1) The revised paper must be formatted using the given paper template (see below for details).
- (2) Do not make any highlight on the revised version.
- (3) For any major changes which can raise the paper quality significantly, please state them clearly and briefly in the list of major changes. There is no need to mention the changes of grammar/writing/format one by one. Highlight of the changed parts of the paper are not accepted.

Three Required files (the files must be named as below):

- (1) a list of major changes in PDF or MS word (name it as change.pdf or change.doc)
 - (2) the revised paper in camera-ready format in PDF and/or MS word (name it as revised.pdf and/or revised.doc). You are advised to send both revised.pdf and revised.doc if you prepare it in MS word.
 - (3) a signed copyright form (name it as copyright.pdf or copyright.jpg or copyright.doc)
- Other files should not be sent.

The copyright form and the format files (MS Word and Tex) of our journal are available for download at:
http://www.iaeng.org/IJAM/author_information.html

Please check your revised paper against the checklist available for download at
http://www.iaeng.org/publication/download/Checklist_camera-ready_general.pdf

Usually, authors need to submit revised version more than once to be camera-ready.

The copyright form should be signed, and then sent it to our Secretarial by post, or scanned it and sent it to us by email, or sign electronically directly on this application and return to us by email. Note: the electronically signatory can be formed with any alpha/numeric character(s) or combination thereof of your choosing in the signature block on the copyright form.

For paper accepted with minor revision, a list of changes is required. We will check the changed contents to determine whether it can be published after the revision.

Please state the manuscript number, IJAM_2019_07_09b_second, clearly when you submit the required files.

If you have any difficulty and question, please inform us immediately.

Best regards,
