Bu Ani, Bu Intan, Prof. Yudi,

I am forwarding the review results from SiELE. I have checked the comments and suggestions from the two reviewers and would say that the revisions required are manageable.

Following the procedures of revising and submitting the manuscript as described in the email, I would suggest that Bu Ani start working on responding to the comments by referring to the file from Reviewer 1. I hope that I would be able to get the revised version by May 7.

At the same time, Bu Intan might be able to sharpen arguments regarding the research gap, to be forwarded to bu Ani.

Prof Yudi can have a look at the file from Reviewer 2, preparing some statements needed to start the subsection on students' writing ability. Basically, we need to present some information about this before discussing approaches to teaching writing. The additional statements can be sent to me to be processed further in the revising process. By May 7 as well?

Thank you very much. Hope we can make it.

Wassalam,
