Dr. Tole Sutikno:

We have reached a decision regarding your submission to *JURNAL NASIONAL TEKNIK ELEKTRO*, "Implementasi Fuzzy Logic Controller pada Sistem Pengereman Turbin Angin di PLTH Bayu Baru".

Our decision is to Accepted with Minor Revision.

Please note the following points:

1. The author responds to the reviewer's question by attaching the answer file.
2. The article has a minimum of 15 references.
3. Check the writing format.
4. The abstract consists of background and objectives, methods, results, and conclusions.
5. The objective of the research should be clear in the introduction section.
6. The method describes the research design, data collection, and analysis.
7. The conclusion clarifies the objective of the research.

# Kirim Revisi: 25 April 2021

Dear Prof. Refdinal Nazir, Ph.D., Dr. Aulia and Team,

We just updated and submitted our paper entitled "Sistem Pengereman Turbin Angin Otomatis pada PLTH Bayu Baru Berbasis Kendali Logika Fuzi". We also attached "RIS file" and "Response to Reviewers".

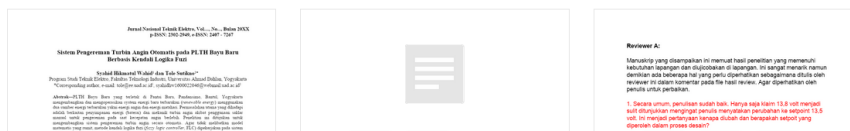

We hope that this revised paper is acceptable.

We are looking forward to hearing from you

Best Regards,  
Tole Sutikno

Dear Prof. Refdinal Nazir, Ph.D and Dr. Aulia, Ph.D.

As per request Dr. Aulia by WhatsApp for preparing final paper, we have represented our paper in English and write-up the paper. Please find the attached final paper in MS Word file format. The RIS file is also attached.

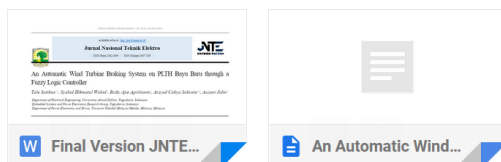

We hope that the paper is suitable for publication now

We are looking forward to hearing from you

Best Regards,  
Tole Sutikno
