Dear Admin of IJSSE Journal.

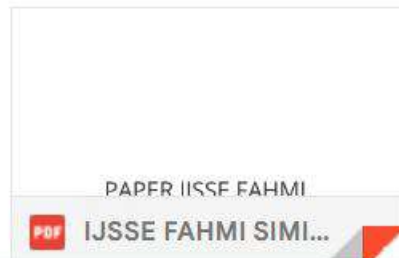

Journal name: International Journal of Safety and Security Engineering (IJSSE)

I am enclosing herewith a manuscript entitled "Mitigation Web Server for Cross-Site Scripting Attack using Penetration Testing Method" for publication in IJSSE for possible evaluation. The Corresponding author of this manuscript is Fahmi Fachri and The following is the attached manuscript file.

Best Regards

Fahmi Fachri

Dear author,

We have reached a decision regarding your submission to International Journal of Safety and Security Engineering, "Mitigation Web Server for Cross-Site Scripting Attack using Penetration Testing Method".

Our decision is: Revisions Required

1. Revise the current paper according to reviewers' comments. Highlight any change or track changes you make. Response to reviewers is also required.
2. Typeset your final paper according to the attached template.

Language service: IIETA boasts experienced English-language editors with various academic backgrounds such as mathematics, engineering and even social sciences. Our editing team specializes in language polishing, including but not limited to carefully correct any errors in grammar, punctuation, consistency, spelling, and word choice, etc. If any author has difficulties in improving the language quality of his/her papers, just consult us and our language editors will help you polish your papers in an efficient way at a low cost (\$ 60 for a thousand words, excl. the author information, figures, formula, References, Acknowledgement, and Nomenclature). We promise it to be completed within 5 days once the remittance is received.

Please return your revised manuscript and the response to reviewers to this e-mail before **11 April 2022**. Thanks for your cooperation.

Kind regards,

Editorial Board

Dear Abdul Fadlil, Imam Riadi, Fahmi Fachri,

MS: Mitigation Web Server for Cross-Site Scripting Attack Using Penetration Testing Method

I am pleased to inform you that as per the recommendation of the editorial board, your above-mentioned manuscript has been accepted for publication in International Journal of Safety and Security Engineering (ISSN 2041-9031).

Please note the following points, and ensure compliance:

- 1) Page Proofs of your paper will also be sent to you for minor corrections and approval.
- 2) Provide us with your E-mail ID for future correspondence.
- 3) Provide complete postal address with correct postal-code.
- 4) The corresponding author would receive a PDF of the published paper.
- 5) If your paper is found with plagiarism content after the release of Acceptance Letter, it will not be published in the Journal.

It is recommended that you cite this and other published works from International Information and Engineering Technology Association (www.iieta.org) in your papers to be published in other journals.

Yours sincerely,

Date: April 6, 2022
Place: Edmonton, Canada

kepada editor.ijssse

Dear,
Editorial Board
International Journal Of Safety And Security Engineering

We are grateful for the constructive and valuable comments that improve our paper for the review process. We have responded to the points raised by the editorial comments. We are submitting a two version of the reviewed manuscript; a version with the changes highlighted , and the final paper with all changes accepted. We also attached a table that describes the author's responses to reviewer comments.

We look forward to your suggestions regarding our submission. We would be glad to respond to any further questions and comments that you may have.

Sincerely,
Fahmi Fachri,
Department of Informatics, Universitas Ahmad Dahlan,
Yogyakarta

Dear author,

Thanks for contributing your paper to *International Journal of Safety and Security Engineering*!

Please check the attached files and follow the requirements:

1. Revise the yellow parts according to the notes. Highlight any corrections you made.
2. Provide high-resolution figures to ensure that any word and number on it must be discernible.
3. Please fill in "Copyright Transfer Agreement". Please note that "corresponding author's signature" in the agreement shall be manually signed.

To ensure fast publication of your paper, please return your revised manuscript and the answers to all queries to this e-mail **before 20 April 2022**. Thus, we have enough time to process your manuscript in the next step. For further assistance, please do not hesitate to contact us via this e-mail.

We would like to take this opportunity to thank you for choosing *International Journal of Safety and Security Engineering* as your publishing medium and hope that we will receive further submissions from you in the future.

Dear author,

Before publication, it is decided that this final proof should be sent to the authors once again for careful reading and re-check, to rule out the mistakes / errors of all kinds.

Download "final proof". Read it carefully with particular reference to the following points:

1. If some corrections are left out, highlight them and attach notes on how to correct directly in the PDF file.
2. Check with care all the symbols in the text.

Please return the corrected final proof before **24 April 2022**.

It is our mutual responsibility that the academic works published in the journal should be "mistake or error free" and of quality as well. Our attention and efforts to this would make the journal still better, besides enhancing the utility of your published research.

Dear author(s),

Thanks for patronizing *International Journal of Safety and Security Engineering (IJSSE)* for publishing your research. The electronic version of your paper published in Volume 12, Number 2, 2022 is attached with this email. To read your paper online, please click: <https://www.iieta.org/journals/ijssse/paper/10.18280/ijssse.120208>

Kindly acknowledge the receipt of the same. You must be satisfied with our services.

We wish you the best in your research career and hope to have outstanding studies coming from you for publication in IJSSE in the future as well. We would also appreciate your citing the research content published in IJSSE in other research papers that you intend to submit to other journals. This will help raise IJSSE's profile.

If you are interested, you may also apply for being our journals' **peer reviewers** or/and **editors**. We would like to receive your CV for future cooperation.

Last but not least, we shall be grateful if you encourage us by submitting your valuable article(s) for the forthcoming issues and also promote our journal amongst your colleagues and fellow-workers. IIETA is **calling for papers** for its journals:
