Dear author,

We have reached a decision regarding your submission to International Journal of Safety and Security Engineering, "Intelligent Traffic Light Control System with Priority Lane Intervention".

Our decision is: Revisions Required

1. Revise the current paper according to reviewers' comments. Highlight any change or track changes you make. Response to reviewers is also required.
2. Typeset your final paper according to the attached template.

Language service: IIETA boasts experienced English-language editors with various academic backgrounds such as mathematics, engineering and even social sciences. Our editing team specializes in language polishing, including but not limited to carefully correct any errors in grammar, punctuation, consistency, spelling, and word choice, etc. If any author has difficulties in improving the language quality of his/her papers, just consult us and our language editors will help you polish your papers in an efficient way at a low cost (\$ 60 for a thousand words, excl. the author information, figures, formula, References, Acknowledgement, and Nomenclature). We promise it to be completed within 5 days once the remittance is received.

Please return your revised manuscript and the response to reviewers to this e-mail before **23 May 2022**. Thanks for your cooperation.

Kind regards,

Dear author,

Before publication, it is decided that this final proof should be sent to the authors once again for careful reading and re-check, to rule out the mistakes / errors of all kinds.

Download "final proof". Read it carefully with particular reference to the following points:

1. If some corrections are left out, highlight them and attach notes on how to correct directly in the PDF file.
2. Check with care all the symbols in the text.
3. Please fill in "**Copyright Transfer Agreement**". Please note that "corresponding author's signature" in the agreement shall be manually signed.

Please return the corrected final proof before **8 July 2022**.

It is our mutual responsibility that the academic works published in the journal should be "mistake or error free" and of quality as well. Our attention and efforts to this would make the journal still better, besides enhancing the utility of your published research.

Dear author(s),

Thanks for patronizing *International Journal of Safety and Security Engineering (IJSSE)* for publishing your research. The electronic version of your paper published in Volume 12, Number 3, 2022 is attached with this email. To read your paper online, please click: <https://www.iieta.org/journals/ijsse/paper/10.18280/ijsse.120311>

Kindly acknowledge the receipt of the same. You must be satisfied with our services.

We wish you the best in your research career and hope to have outstanding studies coming from you for publication in IJSSE in the future as well. We would also appreciate your citing the research content published in IJSSE in other research papers that you intend to submit to other journals. This will help raise IJSSE's profile.

If you are interested, you may also apply for being our journals' **peer reviewers** or/and **editors**. We would like to receive your CV for future cooperation.

Last but not least, we shall be grateful if you encourage us by submitting your valuable article(s) for the forthcoming issues and also promote our journal amongst your colleagues and fellow-workers.

IIETA is **calling for papers** for its journals:
