Dear Author,

This article is exactly suitable for our other standard 12 years old journal International Journal of Green Pharmacy (www.greenpharmacy.info)

This journal also maintain the same standards like Asian Journal of Pharmaceutics. Indexed in many standard indexing agencies like SCOPUS, NAAS, UGC, EBSCO, ProQuest and many.

Please reply, so that we can start process.

You can also suggest a subject specialist reviewer details for faster review of your article.

If your article is accepted by reviewer you need to pay USD 170 towards content checking, crossref DOI number and website maintenance fees.

Because after acceptance we have to send your article to our out sourcing agency for content checking, grammar & spell check, editing & formatting. We have to pay per pdf.

Please reply.
