Kepada: Rachma Tia Evitasari &lt;rachma.evitasari@che.uad.ac.id&gt;

Rachma Tia Evitasari:

Thanks for choosing Jurnal Rekayasa Proses for publishing your nice work. We have completed the reviewing process of your submission titled "Microwave Assisted Extraction of Anthocyanin from Purple Sweet Potato (*Ipomoea batatas* L.) using Deep Eutectic Solvent (DES) based on Citric Acid"

to Jurnal Rekayasa Proses, and reached a decision that revisions are required before your article can be reconsidered for publication. You can find the reviewers' comments at the end of this email.

Please carefully evaluate the comments and make corresponding amendments to your manuscript. When submitting your revised manuscript, please upload your document (in .doc or .docx format) to the journal website together with a response to reviewers or a list of changes you have made. Please find the format of response to reviewers in the attachment.

If the title of your manuscript is changed, please also update the metadata of your submission in the "Summary" section.

Whenever possible, please consider citing articles that have already been published by Jurnal Rekayasa Proses.

Please note that we expect to receive your revised manuscript within 2 weeks from the decision date (the deadline: 25.08.2022). Manuscripts submitted beyond this time may be treated as new submissions. Please inform us in advance if more time is required to revise your manuscript.

Username: rachma\_tia

This is the last opportunity to make substantial copyediting changes to the submission. The proofreading stage, that follows the preparation of the galleys, is restricted to correcting typographical and layout errors.

Please provide graphical abstract with high resolution and send us via email.

The deadline for copy-editing is 16.10.2022.

If you are unable to undertake this work at this time or have any questions, please contact me. Thank you for your contribution to this journal.

Himawan Tri Bayu Murti Petrus, S.T., M.E, D.Eng.
