Dear Rendra,

Since you are not an active SEA member, the cost is 90 euros.

For the following publications you are the first author, if you are an active member (who publishes) and you will create an account in the platform (<http://seaopenresearch.eu/join/>), the cost becomes 65 euros.

Regards,

Vlad

Subject: Payment for Article Journal submission, and the email address

Dear Vlad,

I have been submitted my article on December 18, 2017, and I got the code S14.RW3. Please let me know about the amount of the payment, EUR 65 or EUR 90? I am a Ph.D student. I will transfer the money in the near future. I would like to publish it in SEA Practical Application of Science of Economic.

Furthermore, I would like to inform you that my email rendrawidyatama@econ.unideb.hu is not run well. So, would you please send your message to rendrawidyatama@gmail.com as well for better communication.

Thank you very much
Sincerely yours,

Rendra Widyatama
