Dear Nadia,

I wondering to know about the manuscript entitled

Factors influencing stress during the second imposed of COVID-19 social restrictions in Indonesia, that

has been submitted to JPHRES about one month ago but till now there is no progress on it. Are there any

mistakes that I do during the submission that impacted the delay in the article processing?

The article code is 2882.

Best regards,
Sulistyawati, MPH., Ph.D.

Dear Sulistyawati,

Your paper #2882 is undergoing the peer-review process, which is scheduled to be completed in the next weeks. We are trying to do our utmost to guarantee a quick review time, but please understand that it essentially depends on reviewers' promptness in sending their comments.

As soon as the peer-review is completed, you will be notified about the Editorial decision.

Kind regards,

Nadia Moscato

Dear Sulistyawati Sulistyawati,

We have prepared your article for publication in *Journal of Public Health Research*, and it is ready for your final review in SAGE Edit:

<https://emxpert.net/sageedit/journals/?token=2E7014C5-659C-4716-B>

Please review your proof carefully and submit your corrections or approval via SAGE Edit within the next **2 business days**. Only changes consistent with the journal's style and peer review policies will be implemented; extensive changes after peer review are generally not accepted, and may incur a fee if accepted.

Please note that this is your final opportunity to ensure your article's accuracy, and post-publication changes may not be possible, as explained in our [Corrections Policy](#). Please let me know if you need any further assistance.
