Dear Tatbita Titin:

Hope you are doing well. The IEOM publication team has just finished adding papers/abstracts to [proceedings online](#). You can check for your paper/abstract ID 338: "Selection of Environmental Impact Reduction Strategies Based on Life Cycle Assessment (LCA) and Analytical Network Process (ANP): A Case Study of Wood Charcoal Industry in Indonesia" and see if it has a clickable links. IDs' without link indicates that we don't have any record of registration payment for those. If you think it is a mistake from our side please email us with your proof of payment (NOTE: ONLY IF YOUR ID DOES NOT HAVE A CLICKABLE LINK).

Moreover, the papers which failed the IEOM standard, not enough Tables/figures/analysis are published as an abstract.

If you have any question/query please email us on or before January 31, 2023 to info@ieomsociety.org. Please also include your payment receipt with it .

NOTE 1: IEOM team will not bear any responsibility if your abstract/paper is not published because of your delay.

NOTE 2: This notice is only for those who has paid for their registration. Others, please ignore it (Thank you).

NOTE 3: **Header/Footer and page number will be added later.**

Regards.
