Dear
Olive Choi
Assistant Secretary
International Association of Engineers (IAENG)

I have difficulty making bank transfers, some banks around my office do not serve transfers to foreign banks.

I've tried to transfer via the bigger bank, but it's required to fill a statement letter with a stamp, as well as I have to pay both transfer fee in local currency and bank charge in USD. The amount is big enough for me.

For that reason, may I ask you to change the payment method from Bank transfer to Credit card.

Thank you for your help and concern.

Sincerely yours

Julan Hernadi
