Dear Dr. Surono,

I would ask you to check the pre-publication format of your article in Emerging Science Journal and modify some queries that have been asked by comments.

You have 24 hours to send back the final version. You should highlight or use track-changes to show the modification.

Regards,
Office ESJ

Maoro

Dear Maoro/Editor ESJ Journal

But I encountered some problems, can some of it to be revised? The points are written below:
1. The name of third author is NURSYIVA IRSALINDA NOT NURSYIYA IRSALINDA
2. The affiliation of the fourth author is Faculty of Data Science and Information Technology, INTI International University, Nilai, Malaysia.

Thank
