International Journal of Advances in Applied Sciences

International Journal of Advances in Applied Sciences (IJAAS), p-ISSN 2252-8814, e-ISSN 2722-2594, is a peer-reviewed and open access journal dedicated to publish significant research findings in the field of Applied Sciences, Engineering and Information Technology. The IJAAS is designed to serve researchers, developers, professionals, graduate students and others interested in state-of-the-art research activities in applied science, engineering and information technology areas, which cover topics including: applied physics; applied chemistry; applied biology; environmental and earth sciences; electrical & electronic engineering; instrumentation & control; telecommunications & computer science; industrial engineering; materials & manufacturing; mechanical, mechatronics & civil engineering; food, chemical & agricultural engineering; and acoustic & music engineering. This journal is published by [Institute of Advanced Engineering and Science \(IAES\)](#) in collaboration with [Intelektual Pustaka Media Utama \(IPMU\)](#), and is **recognized (accredited)** by the Ministry of Education, Culture, Research, and Technology of the Republic of Indonesia ([Decree No. 79/E/KPT/2023](#)). IJAAS has just been accepted for inclusion in [Scopus](#) by the Content Selection and Advisory Board (CSAB). [Scopus is in the process of indexing articles published in this journal since 2019.](#)

With this regard we would like to request you to submit your original research papers for publication. Articles are invited for current issue. Kindly please download the **IJAAS template** in [MS Word](#) or [LaTeX](#).

The IJAAS Features

- **Plagiarism:** All manuscripts submitted to the IJAAS are screened using CrossCheck powered by iThenticate to identify any plagiarized content.
- **DOI:** [Institute of Advanced Engineering and Science \(IAES\)](#) as publisher of the IJAAS is a member of Crossref. After acceptance, each articles will be assigned with a worldwide unique DOI Number which is indexed by Crossref.
- **Open Access:** IJAAS is part of online open access, which allows authors to access published article anytime and anywhere. All articles can be accessed for free.
- **Full Archive Available:** Every issue of Journal of IJAAS is available online from volume 1 issue 1 to the latest published issue with month and year.
