Decision Letter (BJFT-2023-0143.R1)

From: petrarcamh@gmail.com

To: ibdal@tp.uad.ac.id

CC:

Subject: Brazilian Journal of Food Technology - Decision on Manuscript ID BJFT-2023-0143.R1

Body:

Dear Dr. Satar:

It is a pleasure to accept your manuscript entitled "Feasibility of Bay Leaf (Syzygium polyanthum) as a Natural Preservative for Meatball" in its current form for publication in the Brazilian Journal of Food Technology.

Once accepted in the peer review your manuscript will be sent to, revisions and language editing. As soon as possible Editora Cubo will manage proofreadings (check filters and your spam box). The domain of the email is @editoracubo.com.br.

Thank you for your fine contribution. On behalf of the Editors of the Brazilian Journal of Food Technology, we look forward to your continued contributions to the Journal.

Sincerely, Dr. Mateus Petrarca Editor-in-Chief Brazilian Journal of Food Technology petrarcamh@gmail.com

Associate Editor Comments to the Author: All recommendations have been corrected, this manuscript deserves to be accepted in the BJFT .
