English in University Life EU-Life

This *English in University Life EU-Life* book unveils the proper use of English in many aspects of university life as students. Comprised of thirteen units, this book discusses many topics, such as campus tour, life at university, virtual world, coping with stress, healthy lifestyle, character and personality, how to develop a strong resumé based on the skills required, how to tell personal narrative storytelling, interpersonal communication, how to generate and express new idea in English, how to identify what is your passion from the psychology perspective, how to develop and persuade arguments to others, as well as plagiarism and how to avoid it. May this book serve as a helpful guidance to all readers, especially university students, who wish to enrich their English knowledge and enhance their interpersonal communication skills. Happy learning!
