Dear Professor Carrier,

I hope this email finds you well. I am pleased to submit my manuscript for a book review titled "In the Dragon's Shadow: Southeast Asia in the Chinese Century" for consideration in the journal National Identities.

This book provides an insightful analysis of the evolving geopolitical landscape in Southeast Asia, particularly in relation to China's growing influence in the region. The review highlights key arguments and perspectives presented in the book, offering a critical evaluation that I believe will resonate with the readers of National Identities.

Attached to this email is the manuscript for your review. I am grateful for the opportunity to contribute to your esteemed journal and look forward to any feedback you may have.

Thank you for considering my submission. Please let me know if there is any additional information or clarification needed.

Best regards,

dani fadillah

Thank you for that. Could you please send me the version in which the revisions, including my editing and comments, are visible. In this way it will be possible to complete the final version. Without seeing revisions it is impossible to check the work we collectively did and complete the review. Thank you, all regards, Peter
