FAKULTAS KEGURUAN DAN ILMU PENDIDIKAN
UNIVERSITAS AHMAD DAHLAN

VISION

To become a study program that organizes education in the field of Guidance and Counseling based on human nature, which aligns with the social constructivism paradigm oriented towards the welfare of the community.

GOAL

The purpose of the Guidance and Counseling Study Program is to produce.

1. Learning outcomes also represent the profile of student graduates determined by the Guidance and Counseling Study Program. The profile of graduates of the Guidance and Counseling Study Program is:
2. To become a guidance and counselling teacher who can provide superior guidance and counselling services in schools in a comprehensive, innovative manner and based on Islamic values.
3. Become a developer of Guidance and Counseling training.
4. Becoming a community empowerment facilitator.

GRADUATE PROFILE

Learning outcomes also represent the profile of student graduates determined by the Guidance and Counseling Study Program. The profile of graduates of the Guidance and Counseling Study Program is:

- Becoming a guidance and counselling teacher who can provide superior advice and counselling services in schools in a comprehensive, innovative, and Islamic-based manner.
- Becoming a developer of Guidance and Counseling training.
- Becoming a facilitator of community empowerment.

STUDENT ORGANIZATIONS AND COMMUNITIES

To help and prevent students from experiencing obstacles in the academic field, the Guidance and Counseling Study Program facilitates scheduled academic guidance for students, which academic advisors carry out through guide cards or academic guidebooks. The UAD academic guidance standards regulate the academic guidance process. The implementation of academic guidance in one semester is carried out at least three times. The desired expectation from the academic guidance process is to be able to handle problems that occur in students quickly and successfully. Student Organizations and Communities in the BK Study Program are Pik-M, HMPS and IMM

PIK-M

PIK M Sahabat Mentari is a GenRe program activity forum for preparing family life for teenagers/college students managed by and for teenagers/college students to provide information and counselling services on family life planning for teenagers/college students and other supporting activities. PIK M Sahabat Mentari was established on Monday, April 30, 2012, under the auspices of BKKBN and the Guidance and Counseling Study Program centred on Jalan Ring Road Selatan, Tamanan, Banguntapan, Bantul, Campus 4, Ahmad Dahlan University

HMPS

The Student Association of Guidance and Counseling Study Program, Faculty of Teacher Training and Education, Ahmad Dahlan University (HMPS BK FKIP UAD) is an organization engaged in student affairs in the Guidance and Counseling Study Program, Faculty of Teacher Training and Education, Ahmad Dahlan University, Yogyakarta. HMPS BK FKIP UAD was established on January 20, 2009 in Yogyakarta. The Secretariat of HMPS BK FKIP UAD is located at Jl. Pramuka No.42, Pandeyan, Umbulharjo District, Yogyakarta City, Special Region of Yogyakarta 55161.

IMM

The Muhammadiyah Student Association (IMM), as an autonomous organization under the Muhammadiyah organization 2021, entered its 57th year. Since IMM was founded by Djazman Al-Kindi in 1964, its development has been increasingly rapid.

IMM as a forum for Muhammadiyah sons and daughters at Muhammadiyah Higher Education Institutions (PTM) is a place for processing and cadre formation. Ahmad Dahlan University (UAD), as PTM, always supports the IMM cadre formation process.

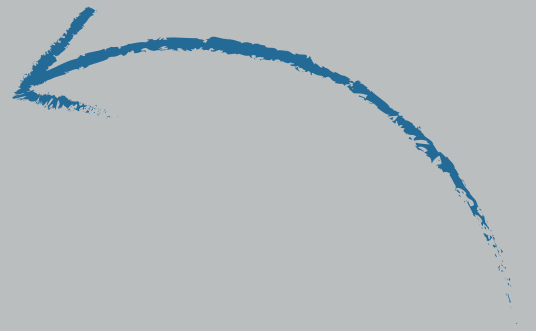

FACILITIES

In carrying out its duties as an educational institution, the Guidance and Counseling (BK) Study Program of the Faculty of Teacher Training and Education (FKIP) of Ahmad Dahlan University (UAD) is equipped with various facilities and infrastructure as well as supporting facilities needed for the smooth running of these duties.

The standards for facilities and infrastructure in the BK FKIP UAD Study Program are regulated in the regulation of the Minister of Public Works number 30/PRT/M/2006 concerning technical guidelines for facilities and accessibility in buildings and the environment and are stated in the regulation of the Minister of Education and Culture of the Republic of Indonesia number 3 of 2020 in article 33.

FACILITIES

These facilities include facilities and infrastructure that support teaching and learning activities, the availability of research and IT facilities and laboratories that support.
