Dear Author,

Sorry for the review that may be too long since we still think about the Turnitin percentage of your manuscript that is almost 50%. It seems the biggest percentage is on the novel script which is technically it does not a big deal. Yet, you should revise the other highlighted text by Turnitin to make it lower.

Here, we also enclosed the additional notes of your manuscript submission. The revised manuscript should be submitted before February 15, 2021.

Your faithfully,  
Dr. Umar Bukhory, M.Ag.

Dear Rahmi Munfagati,

Thank you for your patience and kind understanding, my apologies for the delayed response.

Regarding the Turnitin checking, we have known that the issues are because of many direct quotations from the work that it should not be a big deal. We will try not to count the direct quotations as plagiarism. However, before your manuscript is sent to the reviewer. There are still some notes you should deal with, it is about the numbers of references and the page numbers of each reference that you do not present.

Since it is a minor revision, please submit your revised manuscript before **April 19, 2021**.

Best wishes,  
Dr. Umar Bukhory, M.Ag.

being adolescent, they were sent to Cottages. There, they had a trip to find Ruth's possible. Kathy also looked for her "possible" through porn magazines. In the last stage, when they were in adulthood, Ruth gave the chance of getting deferral—a suspension to live normal as a couple for a few years, to Kathy and Tommy.
