Tabel Perbaikan dari Penulis

No	Teks Asli	Komentar Reviewer	Teks Revisi
1	Abstrak Khusus sistem keagamaan, penulis nampaknya memberikan porsi terbesar dalam isi buku tersebut, antara lain penyebutan ayat-ayat Al-Qur'an dan hadis di awal setiap tema, nama-nama yang digunakan, gambar orang-orang yang mengenakan pakaian Islami, serta penanaman akhlak yang terkandung dalam teks percakapan.	Tambahkan implikasi dari hasil penelitian ini.	Ditambahkan teks. Berdasarkan temuan tersebut, dapat ditarik benang merah bahwa penulis yang mewakili organisasi Muhammadiyah mempunyai tujuan tertentu yaitu dakwah dan internalisasi ideologi Islam kepada para siswa.
2	Introduction So the state of the art of this research is that there is still little cultural research related to Arabic books, especially Arabic books published by Muhammadiyah Central Board.	Tambahkan fokus tujuan dari penelitian ini atau spesifik rumusan masalah dari penelitian ini.	Ditambahkan teks. The focus of this research is to find out the definitions of culture, especially according to Keontjaraningrat. Researchers believe that the definition according to Keontjaraningrat is relevant enough to be used as a basis for preparing content in textbooks. Apart from that, this research also focuses on the use of cultural elements according to Keontjaraningrat in Muhammadiyah Elementary Arabic textbooks.
3	Paragraf pada metodologi penelitian	Mohon disesuaikan dengan catatan-catatan berikut: 1. Silahkan	Research design in this research is qualitative (library) research using document analysis methods. Literature review plays an important role in research because from literature review, both readers and researchers can direct their

	in dijabarkan sesuai dengan point-point berikut: Desain penelitian yang digunakan, teknik pengumpulan data, dan teknik analisis data. 2. Setiap point diperkuat dengan referensi yang relevan.	attention to theoretical focus that has sharpened its scope. ¹¹ The data collection technique is to describe cultural elements through Keontjaraningrat's books and describe these elements in Muhammadiyah Elementary School Arabic language textbooks. The primary documents analyzed were Muhammadiyah Elementary School Arabic language textbooks for grades 4, 5, and 6, as well as secondary documents in the form of books covering Keontjaraningrat cultural theory and related documents deemed necessary. Primary data is data obtained directly from a source or from a first party. ¹² Analysis of the data that has been collected is presented descriptively in order to obtain in-depth cultural elements as content in the book. This method is used to answer two problem formulations: 1) What are the elements of culture according to Keontjaraningrat? 2) What are the cultural elements in the Arabic language books for Muhammadiyah Elementary School Arabic language textbooks?	
4	Setelah menjelaskan ketujuh unsur kebudayaan dalam buku pelajaran	Mohon lakukan pembahasan terhadap hasil penelitian anda.	Ditambahkan teks. Apart from that, in general, the equipment system appears in all themes that mention the vocabulary of objects in their field. When explaining about rooms, houses and
